

## MATERIAL SAFETY DATA SHEET: STUCCO TERRA

### 7. Handling and storage

Handling: Handle with care. Avoid prolonged or repeated contact with skin. Avoid contact with eyes.

Storage: Store product in original container completely sealed. Store away from any acid source, in a cool area.  
Protect from freezing.

### 8. Exposure controls/personal protection.

Breathing protection: None necessary. Do not smoke while handling.

Hand protection: Protective gloves

Eye protection: Protective glasses in case of accidental splashing

Skin protection: Work clothes

Sanitary steps: Keep products away from food or food areas; avoid contact with food.  
Wash hands after product use.

### 9. Physical and chemical properties

Solubility: N.A.

Viscosity: N.A.

Vapor density: N.A.

Evaporation speed: N.A.

Comburent properties: N.A.

Partition coefficient: N.A.

pH: 12–13

Boiling point: N.A.

Flash point: N.A.

Explosive properties: N.A.

Vapor pressure: N.A.

Specific gravity: 1,250 Kg/l

### 10. Stability and reactivity

This product is stable in normal conditions of use and storage. Due to thermal decomposition (excessive heat) or in the event of a fire, vapors may be produced that are potentially dangerous to health.

### 11. Toxicological information

According to currently available data, this product has not yet produced health risks. It must be handled according to good industrial practices. EDTA disodium salt: Due to its slightly acid properties, it is irritating to the eyes and skin; inhalation of vapors is highly unlikely since it is not very volatile. Oral LD50 value in rats (2000 mg/l) coincides with the upper limit of toxicity.

### 12. Ecological information

Use this product according to instructions and under normal working conditions. Avoid litter. Inform governmental authorities should the product reach waterways or sewers or contaminate soil or vegetation.

## MATERIAL SAFETY DATA SHEET: STUCCO TERRA

### 13. Disposal considerations

Product and containers must be disposed of properly per local and state regulations. Consult all applicable federal, state and local regulations regarding proper disposal of this material.

### 14. Transport information

This substance is not dangerous under current provisions of the code of International Carriage of Dangerous Goods by Road (ADR) and by Rail (RID), of the International Maritime Dangerous Goods Code (IMDG), and of the International Air Transport Association (IATA) regulations.

### 15. Health, labor, and safety regulations

Safety sheet available upon request for professional users.

Danger labeling under regulations 67/548/CEE and 1999/45/CE and following amendments and adjustments. Workers exposed to this chemical agent may not require health checks, provided that available risk-assessment data prove that the risks related to the workers' health and safety are modest and that the 98/24/CE regulation is respected.

### 16. Other information
