

MATERIAL SAFETY DATA SHEET: ECOWAX

1. Identification of the substance/preparation and the company

Identification of the substance or preparation:

Product name: ECOWAX

Use of the substance/preparation: WATER BASED FINISHING WAX WITH MARSEILLE SOAP

Company identification:

Name: DIMENSIONS INTERNATIONAL
Full address: 1967 W. 9th STREET, UNIT B
City, State, Zip, Country: RIVIERA BEACH, FL 33404 USA

Emergency telephone: 561-863-4009
For urgent inquiries, refer to: nina@dimensionsplaster.com

2. Composition/information on ingredients

Water borne preparation based on natural wax and Marseille soap.

3. Hazards identification

This product does not contain any hazardous components according to EEC regulations.

4. First aid measures

Inhalation: None

Skin contact: wash with water and soap.

Eye contact: flush eye fully with water for at least 15 minutes and repeat; If irritation persists, seek medical attention;

Ingestion: Never induce vomiting; seek immediate medical attention. Do not administer any substance unless advised by a doctor.

Store in a well ventilated place, keeping the containers closed when not used. Do not smoke while handling. Keep away from food, drink and animal foodstuff. For information on environmental and health risks, protection of the respiratory airways, and ventilation and individual protective measures, refer to the other sections of this sheet.

MATERIAL SAFETY DATA SHEET: ECOWAX

8. Exposure controls / personal protection.

Hand Protection: Not required. For sensitive skin; waterproof gloves.
Eye Protection: Not Required. For precaution; protective glasses.
Specific Hygiene Measures: Do not eat, drink or smoke.

9. Physical and chemical properties

Physical State: semi dense liquid
Color: whitish
Odor: slight characteristic odor
Average specific weight: 0.98 kg/dm³
pH: 6.5 – 7.0
Percentage of volatiles: 89 +/- 2%
Flash point: Not applicable
Boiling point: 100 C
Solubility: dispensable in water, not soluble in solvents

10. Stability and reactivity

Stability: The product is stable in normal conditions of use and storage.
Condition to avoid: Avoid contact with strong oxidants.
Hazardous decomposition products: None under normal conditions of use. By thermal decomposition, formation of CO, CO₂

11. Toxicological information

Acute Toxicity: No toxic effect has been reported.
Dermal LD50 (rabbit) >5000 mg/kg
Oral LD50 (rat) >5000 mg/kg

12. Ecological information

Always use in accordance with good working practices to avoid dispersion of the substance in the environment.

13. Disposal considerations

Product and containers must be disposed of properly per local and state regulations. Consult all applicable federal, state and local regulations regarding proper disposal of this material. Do not empty into drains or sewers.

Spillage & Leakage: Cover the spillage with absorbent material such as sand. Collect the spilled material and discard appropriately.

Disposal of contaminated packaging: Allow to dry, then dispose as per local and state regulations.

MATERIAL SAFETY DATA SHEET: ECOWAX

14. Transport information
Regulations do not apply to this product.

15. Health, labor, and safety regulations
EEC Regulations: Not applicable
EEC labeling: This product is not labeled with hazard symbols

16. Other information

Training: Not applicable
Restricted use: The product is to be used in the building industry in accordance with the instruction in the technical data sheet.

For the latest information (written references and/or technical center) see technical sheet.

The information and recommendations contained herein are, to the best of Dimensions' knowledge and belief, accurate and reliable as of the date issued.
