Italian Lime Plasters & Fine Finishes

April
2009

Using the cover of Veranda Magazine as inspiration, artisan Jerry Troyer (Lindale, TX) was able to achieve these gorgeous finishes for his client's home by using Veilcalce from Dimensions.

Jerry used several different colors from Dimensions' color deck in both Veilcalce Transparent and Opaque to achieve the aged finishes on the trimwork and even the armoire.

"The crucial variable in the process of turning knowledge into value is creativity." *John Kao*
